## PUBLIC MEETING RECAP

#### **ATTENDANCE**

More than 50 meeting attendees

#### **ONLINE SURVEY**

- 115 Completed Surveys
- Estimated more than 400 individual comments

### **Keep It/Change It Exercise**

- A majority of respondents in the combined online and in-person surveys marked 'keep it' on every option
- The least popular action was:
   "Develop a series of pre-approved home designs to make it faster and more cost effective to build infill housing on vacant land."
  - 40% of respondents marked this as "Change it"

#### Stay

- Removed: Pre-approved home designs
- Changed: Reduce maintenances costs for vacant lots with "No Mow" strategies
- Added: Review the rental registration and regulations process
- Added: Support the development of new senior housing facilities

#### Prosper

 Changed: Added 'facilitate networking and apprenticeships' to small business pipeline action

### Play

 Removed: Make the improvements necessary to allow swimming at Sims Park

#### Connect

No Changes

#### Preserve

Added: Review and update tree protection ordinances

#### Land Use

 Added: Develop an access management plan to limit curb cuts through shared access and defined landscaping plans along major corridors—with a special focus on improving the look, feel, and safety of industrial roads such as S. Lakeland Blvd

#### Engage

- Added: "How to be a good neighbor" campaign
- Added: Comprehensive website
- Added: Safety Goal
  - Work with proposed SIDs to include safety measures
  - Seek grant funding for police foot or bike patrols
  - Incorporate CPTED in zoning
  - Facilitate more robust block watch programs

#### Engage

- Added: Public Facilities Goal
  - Convene an internal task force to undertake a Public Facilities Plan
  - Undertake a financial analysis of existing publicly owned buildings
  - Hire qualified design and real estate professionals to develop a Public Facilities Plan
  - For example, work with Cuyahoga County to analyze the costs and benefits of reducing the size of the Euclid Animal Shelter

#### East 222nd

- Added: Clear maintenance component to developing social spaces
- Added: Clearly marked crosswalks
- Added: Reconstruct East 222<sup>nd</sup> Street

#### East 185<sup>th</sup>

No Changes

Downtown & Lakefront

 Added: Special focus on encouraging reinvestment in lakefront towers

East 260th and Euclid

No Changes

Trail Network

 Added: Ensure trails are well-lit, especially at crossings

Western Neighborhoods

- Removed: Using institutional signs, banners, and lighting
- Added: Organize block watches and add security cameras

*I-90 Corridor* 

No Changes

Euclid Square Mall & Bluestone Business Park

No Changes

## **IMPLEMENTATION**

## Implementing a Master Plan The Structure for Action

- Identify top actions for each year and assign personnel responsible
- Establish a Plan Implementation Committee that meets quarterly
- Publish an Annual Results Report to document accomplishments

- Enliven the East 185<sup>th</sup> corridor with art, lighting, and murals

# High Impact, Low Feasibility

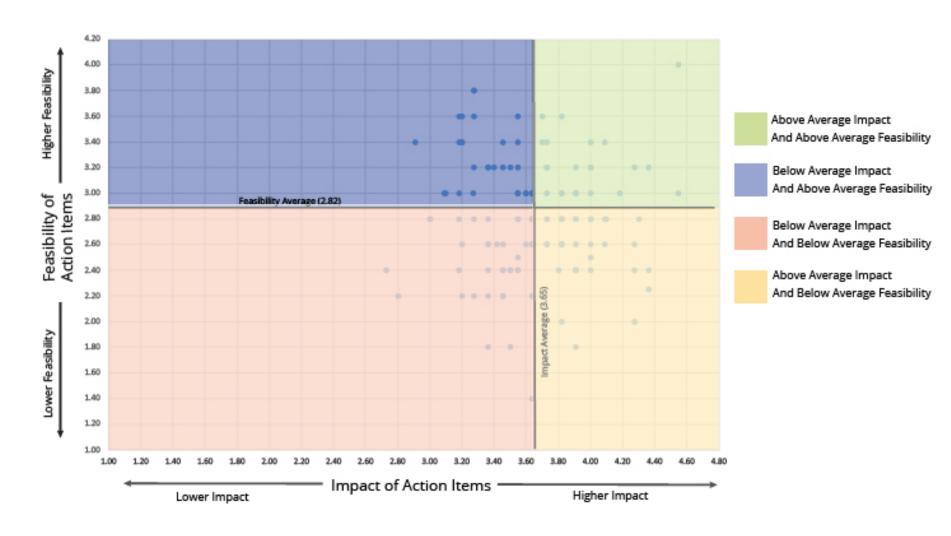

# High Impact, Low Feasibility

#### Highest Impact

- Develop a Downtown Euclid Special Improvement District and brand
- Enhance the City's underpasses
- Construct the improvements to the waterfront
- Improve the Wastewater Treatment Plant Equalization Tank site
- Implement the East 222, Babbitt, Lakeshore intersection improvement plan
- Review all municipal buildings for energy and operational efficiency
- Use the deep setbacks in the East 222 district for vibrant front entrances to businesses

## Low Impact, High Feasibility

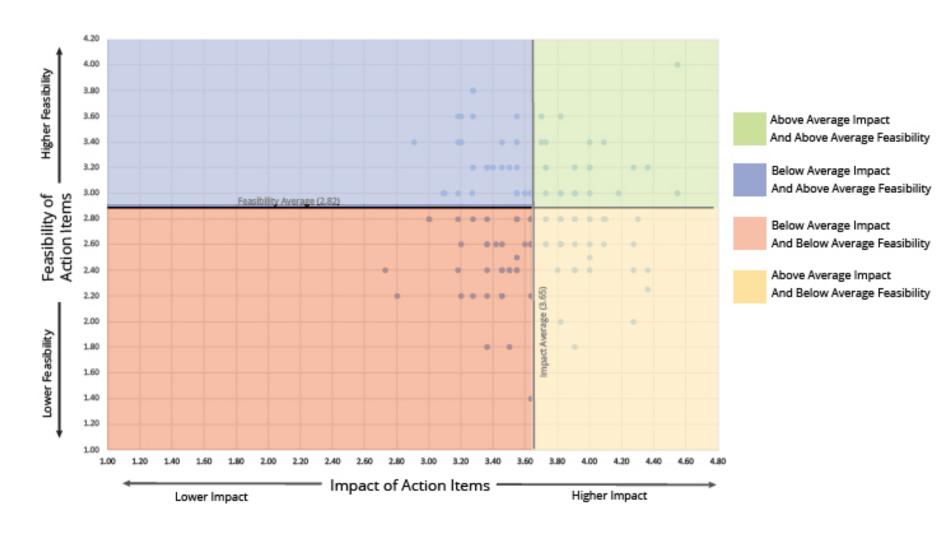

# Low Impact, High Feasibility

### Lowest Impact

- Review the Zoning Code to ensure green features are permitted
- Train employees at cultural institutions to crosspromote Euclid institutions
- Pursue "Slow Grow" strategies for reuse of vacant lots
- Reuse the Central Middle School site for parkland
- Map neighborhood groups and block clubs to make engagement easier

### Low Impact, Low Feasibility

### Low Impact, Low Feasibility

#### Lowest Impact

- Develop consistent development standards among Euclid's health institutions
- Develop standard renovation plans for adding first floor amenities to existing homes
- Develop a renter outreach program to convert renters into homeowners
- Develop a "Spend the Day in Euclid" campaign

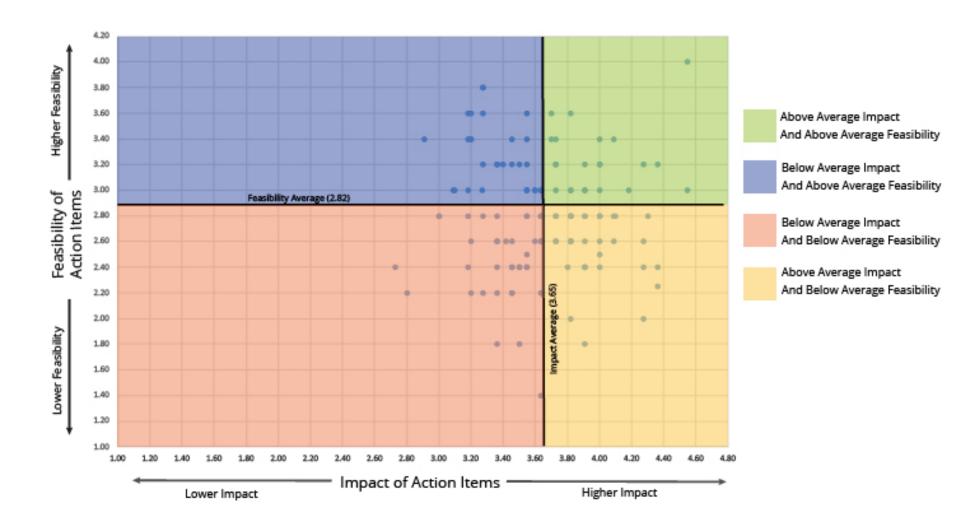

#### Lowest Feasibility

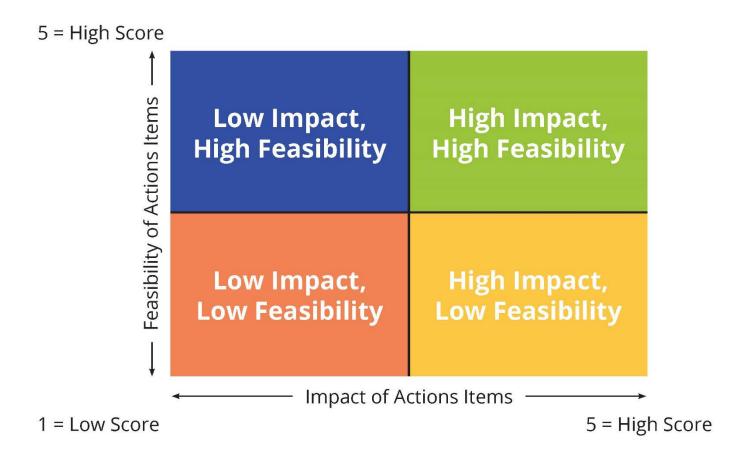

- Consider an indoor community recreation center
- Construct trails along the proposed trail network
- Consider physical improvements and nonprofit management of Shore Cultural Center

# **PRIORITIZING ACTIONS**

# Prioritization Activity What are your top actions?

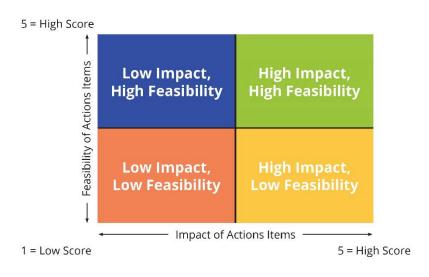

- We have categorized actions by their impact and feasibility
- Now we need to know which ones are the most important to start working on first

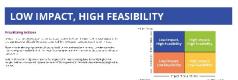

# Prioritization Activity What are your top actions?

- There are four stations around the room based on the four categories of action
- You have a limited number dots that match the colors of these boards
- You have more dots for boards that are more feasible to accomplish
